Sri Sri APJ Abdul Kalam
Hon'ble President of India

June 27, 2007

Respected Sir,

First of all, We would Love to Salute The Vast Existance, The Ancient and Contemporary Spirtual Masters, The Nature Lovers, The Great Thinkers & Performers As well all The Authentic Seekers and Devoted Souls on the Earth in All Spheres of Life, Who have been Instrumental in Exploring the Sound Foundation of The Harmonious World and Establishing Nature's Law of Love, Light, Balance, Non-Violence and Simplicity on This Earth planet.

In the Present Times, When Materialistic War is in Full Swing Across All the Corners of the Globe, We feel Highly Grateful and Blissful for The Greatest Contribution Of Enlightened Masters towards Peace and Harmony on This Earth. Though All Our Beloved Sadguru's and Their Ardent Disciples Are Exhibiting Fearlessness, Oneness With Nature, Love, Compassion and Devotion Through Infinite Ways, but Still We Are Not able to See the Glimpses of Oneness or of Teamwork at the Peak Level.

All the Spirtual Forces at the Top Level are Functioning Effectively but In An Isolated Manner. The Culture of Mutual Admiration is Almost Missing. The Emphasis is More on Expansion or Self Glorification Rather than Essence or Harmony. Healthy Interpersonal Scenerio is also not Evident. Thrust for Hormony is Lacking at Various Levels. These Are Few Major Obstacles Due To Which We are Not able to Witness the Deeper Impact of Discourses/Workshops/Seminars at Grass Root Level.

We All are Naturally Harmonious and Essentially Divine. Moreover, There are Intense Predictions from So Many Most Popular Saints, Industrialists, NGO's, Film Makers and Astrologers That Asian Culture is Going to be Dominant Across all the Borders and India is Going to be The Super Power of the World (विश्वगुरु) by 2020. We Strongly Feel That This Will Be Possible But All The Creative Forces of the Universe Will Have To Evolve Through the Ultimate Process of Integration to Transform Into A Harmonious Society at All Levels.

The Culture always Descends From Higher To Lower. However, If We are able To Witness Harmonious Culture among Top Spirtual Masters and Their Disciples, A Wonderful Change can be Experienced in the Flavour of The Whole Cosmos, Which will Make India Really Incredible and The Natural Super Power of The Universe.

Co.in.ci.dences are Not Accidental But They Are The Signals From The Universe. Hence, It will be The Right Time to Remember That The 'League of Nations' was the Outcome of Ist World War and The UNO (United Nations Organization) is also the Outcome of IInd World War. Under the Present Scenerio, Where The Materialistic Forces Are Dancing on the Head of Spiritualism, We can Easily Forecast That The UMO (United Masters Organization) will be The Only Outcome of Present Materialistic War.

The Future Belongs to Cosmic Intelligence. During the Recent Visit to Europe, Hon'ble Dalai Lama Commented on UNO That 'The UNO is a Political Organization. Executives are Just Playing Tricks at Various Levels.' It Appears that All the Spiritual Forces or New Age Guru's of The Entire Universe Will Have To Come Together to Explore The Perfect Balance on The Earth and to Eliminate the Hindrances or Creative Differences Towards Harmony. Even The Experimentation of This Interfaith Movement Will Almost Establish The Universal Natural Religion on This Sacred Earth and The Majority of Humanity will be Able to Take a U Turn towards its Roots, Basics and Fundamentals.

In the Age of Globalisation, When So Many Film Makers are Making Films On Various 'Style & Attitude' of Mahatama Gandhi and His Birthday is being Celebrated as 'International Non-Violence Day' by International Community, It's A Matter of Great Concern that Gandhiji is Still The Greatest Role Model for Present Generation of The Entire World and Will Be Acceptable to Future Generations Too.

The Consolidation and Collective Shift of Focus Towards Harmony is Need of The Hour To Search The New Humanity (Almost Egoless). Before We Approach to All the Esteemed Spiritual Masters for This Universal Cause, We Would First Love to Seek Your Blessings, Guidance And Opinion in the Matter. However, We shall feel highly Blessed, if We are Given the Opportunity to Interact With Your Good Sense to Discover The Hidden Barriers towards this Ultimate Mission.

Thanking You and awaiting for your kind response.

Sincerely Yours

Impossible is Nothing

Tarshem Kumar (TK)
